## Adath Israel Community Center

PLANTED IN THE HOUSE OF THE LORD, THEY SHALL FLOURISH IN THE HOUSE OF OUR GOD." PS. 92:14

FEBRUARY 21st, 1959

# Congregation Adath Israel ... Prologue ...

Ten short years ago, our Congregation ce'ebrated the laying of the cornerstone of the building that now houses the Congregation Adath Israel Synagogue and Community Center.

On the occasion of our Tenth Anniversary Banquet, commemorated by this Journal, we look back with pride on our achievements of these past years. But — to a much greater degree of importance — we look forward with optimism and anticipation to an even greater future period of growth and expansion.

In looking back, we recall that in 1907, the first High Holy Days services to be celebrated in Woodbridge were attended by a small, pioneering group at Kendals Hotel, near what is now the Cloverleaf. We realize, too, that we can never really say "Thanks" to those of our founders who, in 1914, first chartered and organized the Congregation Adath Israel. Nor can we ever repay those of our members without whose guidance our first permanent synagogue was erected, on School Street, in 1923. Our greatest degree of appreciation and gratitude, however, is reserved for those of our members whose generosity and far-sightedness made possible, in 1949, the construction of our present building.

And of course, the destinies of any group being so closely dependent upon the quality of its leaders, we stop for a moment, now, to give special tribute to the many men who, as Presidents of our Congregation, have guided us for these many years, to our present position of pride and accomplishment.

#### PAST PRESIDENTS

Abe Duff	1907-1924	Harold Vogel	1945-1946
Louis Frankel	1927-1930	Henry Hess	1947-1948
Nathan Duff	1930-1933	Dr. Henry A. Belafsky	1949-
Simon Schroenbrun	1934-1935	Dr. Isadore Rabinowitz	1952-1953
James Rauchman	1935-1938	Jack Turner	
Harry Lager	1939-	Herman Stern	
Simon Schroenbrun		Jack Laden	
Irving Hutt	1943-1945	•	

However, by re-dedicating ourselves, to the furtherance of all of the principles — religious, educational, cultural, recreational, and social — for which our Congregation stands, we can perpetrate this institution the way our founders and benefactors had hoped we would.

And this, therefore, the Tenth Anniversary of the laying of the cornerstone of our present building, need not be considered so much a milestone but rather, in every sense, should be accepted by all of us as our Congregation's "Prologue."

#### Let's Make the 10th Anniversary Richly Meaningful

Ten years in the long history of our people, is of no great consequence. But on the local level, to evaluate the progress achieved by our Synagogue and Community Center during the Ten Years of its existence, is of the utmost concern to us. We who stood at the cradle of its inception and watched its growth, pause at this mile-stone, to recount its accomplishments. In our Synagogue and Community Center we sought to realize programs of intensive and varied services to the Jewish Community. And although to many of us the Synagogue is the most important arm of the institution, we must nevertheless acknowledge and admit that there are many legitimate, necessary and demanding interests that extend beyond the precincts of the Synagogue. Thus the Community Center serves as the secular arm of the institution. In many endeavors we render services that benefit even our Christian neighbors. Jewish causes on a national level are promoted and supported. Assistance to our needy people, through the United Jewish Appeal, is sponsored and worked for zealously. Great effort is invested to help Israel through the sale of Israel Bonds. Our efforts on behalf of Jewish Education for young and old, are intensified. Yes indeed, our institution is all embracing and we made progress in every channel.

Now we reached the Tenth Anniversary. How shall we give meaning to this observance? We must deepen and strengthen our interest in our beloved institution. Let us strive, even more, to provide programs of sufficient Jewish depth that will fill the needs of contemporary Jews and Judaism. Let us look forward to the future with more determination to make our Synagogue and Center a citadel of strength that its glory may reflect on us.

Rabbi Samuel Newberger

#### President's Message

I am deeply grateful for the opportunity to express my thoughts on the occasion of our 10th Anniversary of Congregation Adath Israel Community Center Building.

To the leaders of this affair and to the many workers, may I express my sincerest thanks of the officers and the entire Congregation. Only by everyone working together can we hope to achieve all of our aspirations in the field of religion and education.

To our diligent workers, members and many loyal friends in the Community good health and happiness and our sincerest appreciation for your physical and financial support which has kept Adath Israel Community Center one of the leading and Active Community Centers in our region.

#### STAR SPANGLED BANNER

O, say can you see By the dawns early light What so proudly we hailed At the twilight's last gleaming Whose broad stripes and bright stars Through the perilous fight O'er the ramparts we watched Were so gallantly streaming And the rockets red glare The bombs bursting in air Gave proof through the night That our flag was still there O, say does that star spangled banner yet wave, O'er the land of the free And the home of the brave.

# A Memorable Milestone ...

The Congregation Adath Israel and the Community Center today reach an important milestone along the path to fulfillment of a deep spiritual and community obligation . . . .

It is inspiring to those of us who are witness to this achievement, that ideals still exist, that men still establish and reach high goals, that strength is still certain where purpose is worthy . . . .
